From the Principal

Dear Parents

Welcome to Week 5, Term Three and welcome back to students! We are excited to have students return to face-to-face classroom instruction this week.

Last week, as we returned to remote learning, it was wonderful to see the transition from a traditional classroom to a virtual classroom. I felt so proud of the students, as I saw the interaction between them and their teachers. Although nothing can replace the traditional classroom environment, I was very happy to see students raising their hands and asking questions, as well as the interaction between students. I thank our teachers for their significant work to enable our students to be engaged remotely through Staying Connected. I am so proud of their ingenuity, resilience and passion both for teaching and for our community. Today, I particularly want to thank you, our College parents, for helping and supporting your children through this period. Working together, we have truly confirmed that **the whole child is the whole point**.

I would like to assure parents that we have student and staff health and safety precautions in place, with an intensified school cleaning regime and hand sanitiser available both inside and outside classrooms. Teachers are constantly reminding students to wash their hands, use hand sanitiser and about cough or sneeze etiquette. I also remind parents that if your child is sick, it is essential that you keep them home from school.

I also thank Secondary School students for following the Queensland Health regulations and wearing masks to school. While it is not mandatory for primary students to wear masks, if you would like your child to do so, you are welcome to send them to school with a mask.

Supporting Your Child's Emotional Wellbeing

With the outbreak of COVID-19, everyday life has changed suddenly and dramatically for children. Everyone reacts differently to change – some find it exciting; some find it stressful some hardly notice it happened. Adults use their experience and existing knowledge to predict what changes may be like, how change may affect them and then develop strategies to help them adjust and cope. Children and young people don't often have as much prior knowledge or experience to draw on, which can make change more difficult and challenging.

Besides focusing on children's physical health and safety during this pandemic, it is important to focus on their emotional health and well-being and encourage and support their resilience to adversity. There are a number of helpful strategies to enhance children's wellbeing.

As a first step, children need information. This requires parents and caregivers to provide information in an appropriate child-friendly way and be available to respond to questions and tune into children's anxieties and uncertainties. Children are exposed

to information overload from media coverage and adult and peer conversations which can exacerbate their stress. Limiting such exposure might help to prevent escalating anxiety.

Adults can also help by reassuring children about their safety and the safety of loved ones.

Maintaining routines for meals, bedtimes and schedules for learning and play will give children a sense of structure and predictability. Adults can also manage children's reactions by validating their feelings and encouraging them to ask questions and talk about their concerns.

There are some excellent resources available from Beyond Blue. Also, our College Counselor, Tanya Mitchell, is available if you would like to talk about strategies to help your child transition back to school. You can contact Tanya on E: mitchellt@immanuel.qld.edu.au or T: 5477 3444.

Cancellation of Fruehlingsfest 2021

It was with a heavy heart that we made the decision to cancel this special community event for 2021, but lockdown made it impossible. Hopefully, we can carry a lot of the plans we had in place across to next year. Primary School families are asked to return the cake packs that were distributed to students a couple of weeks ago. These can be re-used for next year and will eliminate all of this plastic ending up in landfill. Please return these via classroom teachers. Similarly, we had to postpone the Primary School musical, but are confident we will stage the performance later in the year.

Many thanks again for your support over recent weeks, and please don't hesitate to be in contact with me, Heads of School or class teachers if you have any questions or feedback.

Yours in Christ

College Counsellor

Today I am forced to take a breath. To make a space in the hurly burly of the term and stop. I don't want to. I feel my body and mind resist the pause. Somewhere within is some old learning that to stop is to fail. That pushing on is healthier, more noble than laying down our arms (our legs, our heads and hearts).

I was talking to a friend about how it feels to stop in a busy world. She said that it made her think of a labrador watching kelpies run about. (I checked in with Connie – she said she will happily watch the kelpies and is fully in support of stopping as often as possible – and eating – but that's a whole different newsletter topic!). My friend pointed out that both labs and kelpies have plenty to offer. She notes too, that a few of the boldest kelpies, our athletes, have recently channelled some labrador, making public their need to stop and rest a while.

I am learning (slowly), that just as maintaining momentum takes presence of mind, so does resting. I am learning that some days we are Connie and some days we are Red Dog and that both are actually pretty fine.

(I will receive my final chemo treatment next week . . . the gratitude I have for my continued good health these past five months, and for the incredible ILC support team is immense).

USC Early Offer

The Early Offer Guarantee enables eligible Year 12 students to receive an early and guaranteed place at USC as early as August. These offers are made before the release of Year 12 results, so students do not have to wait until the December or January QTAC offer rounds to start planning their uni journey.

www.immanuelcareers.com.au is a dedicated careers website for both parents and students. It provides information on career planning, post school options and job opportunities. Information on the website will be continually updated so please check the website regularly.

Primary School

Following last week's remote learning, I was inspired by the genuine efforts and commitment every child made to ensuring they were participating as fully as possible. Whilst we have returned to face-to-face instruction, families should be assured that as a College, we are ready to respond to any changes as they arise.

2022 Class Placements: Years 1 to 6

We will soon begin the complex process of allocating students to their 2022 classes. Many factors are taken into account when considering each child's placement. These include student learning needs, gender balance, class target size and friendship groups.

Teachers have considerable input into this process and will make suggestions related to the various needs of the children in their current classes. Each child will have an opportunity to list a small number of friends with whom they believe they can work positively. We guarantee that each child will be with at least one of the children on their shortlist, *but not necessarily their first choice*.

Primary School staff will use all of this information in combination with the previously mentioned factors to place children into classes for next year. Draft lists will be rechecked by the teaching staff alongside Jodie Hayat, Tim French and myself to ensure that each student is placed in the best situation to meet their educational needs.

Should parents wish to submit specific written information regarding their child's particular needs, please ensure this reaches me by 4.00pm Friday 17 September 2021 via E: bondl@immanuel.qld.edu.au.

I ask that your request relates only to your child's needs and **not to the naming of specific teachers**. Please do not pass verbal requests to teachers as only written requests are able to be considered.

It is not possible to balance many requests for one child when considering all the other children in a year level. For this reason, I ask that you limit your request to a single specific issue. In addition, given that there are many factors to be considered when placing students, it may not be possible to accommodate all parent requests.

Please understand that it is not necessary for parents to write to me, and in fact, most parents do not. Parents will be advised of 2022 class placements prior to our Orientation Morning at the end of Term Four.

Student Representative Council (SRC)

We are proud to announce that the following students have been selected as Semester Two Student Representative Council leaders. We look forward to presenting them with their badges at our online assembly next week:

Early Learning Centre (ELC) Car Park

Thank you to the many parents who have graciously acted on our requests regarding parking in the ELC car park. We again respectfully request that Primary School parents who do not have children in the ELC refrain from parking in the ELC designated car park during morning drop-off and afternoon pick-up times.

2021 Primary Independent District Track and Field Carnival

As I wrote in our last newsletter, Immanuel Lutheran College Primary Track and Field Team finished in sixth place overall at the annual District Track and Field Carnival at USC.

We may not have finished in the medals, but I was extremely proud of the effort and sportsmanship displayed by our entire team.

Congratulations to the following students who qualified and will represent our district at the Regional Carnival.

- Lachlan Chirgwin
- Zoe Douglas
- Clara Oedekoven

Primary School Cocurricular Photo Day

We are currently working with our provider to arrange new dates for our photos to be taken and will advise parents of the new date as soon as it becomes available.

Prep 2022 Readiness Interviews and Parent Information Evening

The final day of 2022 Prep Readiness Interviews were disrupted by the COVID-19 lockdown last week and will be rescheduled as soon as we have confirmation that we will be able to welcome visitors back onsite. Primary School Administration will contact those families.

At this stage, we are planning for our Prep Parent Information Evening to go ahead as calendared on Tuesday 31 August at 5.00pm. Should we need to change that date, we will contact affected families directly.

Thank you for the continued support of your child's learning journey in the Primary School.

Scott Moore – Head of Primary School

Secondary School

A sincere thank you once again to our student and families for their support last week during the snap lockdown. We received many reports that our students made the most of this situation and learning continued successfully. I am pleased we have an effective model to provide continued learning and support as we continue to adapt and move forward during these challenging

periods. As we return to campus this week, I wish to assure families that we are monitoring the COVID-19 climate very closely and are prioritising the health and safety of all in our community. As such, please see the following as a guide to some of the changes that have taken place:

- **Masks:** The directive from the Chief Health Officer is that all students and staff are to wear masks at school. This includes during class and breaks, except when eating while seated. All students are required to provide their own mask each day. The exception to this directive is if an individual has a documented medical condition preventing them from wearing a mask. If this relates to your child, please provide the medical documentation so that it can be added to our records.
- **Excursions:** For the next two weeks, scheduled excursions will not go ahead. Similarly, any guest presentations or visits from third-party providers will be postponed.
- **Parents on Campus:** Where possible, parents are asked to remain off campus for the next two weeks. Should you need to be on campus, please contact the Secondary School Office to notify us of your intention, be sure to wear a mask, and sign in using the QR Code for the Check-In Qld App found at the Secondary School Office.
- **School Sport:** In alignment with Queensland Health directives, there will be no SCISSA competition or club-based sport over the next two weeks. This includes District Athletics and Schools Volleyball Cup, which were scheduled for this week.
- **Events:** Secondary School Assemblies, House Meetings, Worship and Open Mic will not occur this week. Assemblies and Worship will be delivered within Home Group classes. Cocurricular photos will be postponed.

I firmly believe that the value of relationships and community is evident in our current circumstances. I am very thankful for the supportive community that is Immanuel. Our teachers and support staff have demonstrated, yet again, outstanding commitment to our students and their outcomes. Similarly, students are to be commended for returning to school meeting State Government requirements and adopting the measures now in place.

Casual Dress Day (13 August)

The Secondary School is currently fundraising for its Compassion children via the organisation Compassion Australia. Compassion Australia is based on a holistic child development model to meet the whole life needs of children in struggling communities across the world. Whole life care is not care for an entire life, but rather comprehensive care - a long term approach to help children fully develop and become responsible and fulfilled adults.

On Friday 13 August, the Secondary School will be holding a Casual Dress Day to raise the funds needed to support our Compassion children. Students who wish to participate are asked to make a \$2.00 donation. Donations will be collected during morning Home Group. As with all casual dress days, students will need to wear closed in shoes, shirts that cover their midriff and shoulders, appropriate length dresses/skirts/shorts and a sun-safe hat. Should they have sport on this day they will need to bring their sports uniform to change into.

Year 11 Moreton Island Retreat (4-8 October)

The five-day Year 11 Moreton Island Retreat is planned to be a true highlight for students. One aim of the retreat is to facilitate and encourage positive student leadership, and will involve exercises in problem solving, individual challenge and group coordination. This year, the students will attend the camp from 4 to 8 October (Term Four, Week One). Though a while away, it is important that they have their medical, contact and dietary information up-to-date on SEQTA so that we can best prepare for the week away. It is asked that parents attend to this prior to the end of August please. Should you have any queries regarding the camp, please contact Year 11 Coordinator Mrs Rita Rainnie at E: rainnier@immanuel.qld.edu.au or on T: 5477 3461.

Cocurricular Music

New College Anthem

We have chosen the winning entry and are working with the composer and resident music professionals to produce and record the song. Our winner is receiving \$200.00! A huge thank you to <https://helenshadforth.com> who has kindly donated the prize money. We will be sharing the name of the winning composer with you very soon.

NEW DATE - Immanuel Loud 2.0

We haven't forgotten about our Immanuel Loud soloists and bands. We have moved the date for Immanuel Loud 2.0 to Wednesday 1 September at 6.00pm. We will provide more information on the format of this concert closer to the date.

Cocurricular Music Recital Week

Next week, we will be offering several fun recitals – out of school hours – via Microsoft Teams for our families to engage with. As a community, we have been so amazing at supporting each other over the past two weeks and we look forward to seeing you in one of our recitals next week. Cocurricular Music tutors will be speaking directly with students about performance options for next week.

Excursion Update – Music Fest

All competition during August and September for Music Fest has been cancelled. We look forward to ILC's Symphonic Band, Stage Band and Vivace String Ensemble returning to this fun competition in 2022. At this stage, our entry for Concert Band in October is planning to still go ahead. We will provide families of this ensemble with another update as we get closer to the competition date.

Sunshine Coast Junior Eisteddfod

Thank you to all students who prepared solos, duets and worked on ensemble music in preparation for the Sunshine Coast Junior Eisteddfod (SCJE). We are pleased to announce that several Immanuel students did compete at the SCJE just before it was cancelled, and we have some prize information to share with you.

- Aabid Hassen and Zac Swanson - Item 317. Instrumental Duet 16 years & under - Third Prize
- Zac Swanson - Item 310. Woodwind Solo 14 years - Highly Commended
- Nyssa Spindler and Amber McGuirk - Item 318. Instrumental Duet 14 years & under - Highly Commended
- Maggie Ford - Item 311. Woodwind Solo 13 years - First Prize

- Maggie Ford - Item 15. Junior Drama Championship 11 - 14 years - Second Prize

Check out photos from these performances at Immanuel Lutheran College Music on Facebook. All photos were taken prior to current COVID restrictions.

Assembly Performances

We are currently adjusting our performance schedule for Primary and Secondary School Assembly to work within the current restrictions and guidelines. We will return to our normal performance schedule as soon as possible. Thank you to all students who are already recording solos to share with our community while we deliver assemblies via Microsoft Teams.

Emily Bonar - Cocurricular Music Coordinator
E: bonare@immanuel.qld.edu.au

Ensemble Rehearsals

You will find a copy of our updated ensemble rehearsal schedule on SEQTA. Don't forget to check in with all the links on SEQTA from time-to-time so you don't miss any important information.

Our Cocurricular Music Calendar is also on SEQTA and is a great tool for staying organised.

Important Information Regarding Lesson Attendance and Absentees

- Students who absent themselves from lessons will be charged the normal fee.
- Illness must be reported directly to the music tutor or Cocurricular Music Coordinator *prior* to the lesson.
- The tutor is to be notified two days in advance if a change in lesson time is required.
- Please note that notification of not being able to attend a lesson, minutes before the lesson or at the time the lesson is to take place (whether it be via email or phone) is not acceptable and will not result in a catch up lesson being scheduled.

Music Exam Results

Remember to email your music exam results to bonare@immanuel.qld.edu.au so we can celebrate your achievements.

Cocurricular Music Stock

Need new reeds? We can help. Available from the Business Office.

Secondary School Sport

Most teams will continue training while external competition is on hold. This includes the College's eight touch teams and basketball teams. Students are reminded that they must arrive at training with their mask on and be wearing them once training has been completed.

- The SCISSA Touch Competition has been put on hold. Information regarding games missed will be passed on when it becomes available.
- The Queensland Schools Volleyball Cup - which was to be staged on the Gold Coast this weekend - has also been postponed. We are waiting for an update regarding a new date.
- The Queensland Schools Sport and Sunshine Coast Regional School Sport organisations have cancelled their 2021 Track and Field Trials. The SCISSA Administrator has advised that the 13 to 19 years District Athletics Carnival scheduled for 23 and 24 August has been cancelled.

This Thursday at recess we will hold a briefing - in the Stadium - for students in Years 7 to 10 who would like to nominate for the Term Four SCISSA Soccer Competition.

Commercial Operations

College Shop

To ensure social distancing is practised in the College Shop, did you know you can order uniforms online via [Flexischools](#) and your items will be delivered directly to your child's classroom? If you need help with sizes or advice, please call T: 5477 3457. Alternatively, we are open Monday 7.30am – 9.30am; Wednesday 7.30am – 9.30am and 2.00pm – 4.00pm; and Friday 7.30am to 9.30am. We ask that you kindly wait outside until you are called into the shop. Your understanding is greatly appreciated.

Tuckshop Volunteers

We greatly appreciate volunteers as we cannot operate our tuckshops without your help. The roster attached to this newsletter shows the days – highlighted in yellow – where we need help.

Tuckshop Convenors Mrs Cherrie Mobbs (Secondary) and Mrs Linda Ahrens (Primary) look forward to meeting and working with you. No experience is needed as tuckshop staff are more than willing to assist. We welcome any time you can give, whether it is once a week, fortnight, term or month, even if only for a few hours. In both the Primary and Secondary Schools, we require assistance from 8.30am to 1.30pm. We provide you with a cuppa and some lunch. Volunteering is a great way to meet other parents and become part of our community. You are assured of a very warm welcome.

Secondary School Tuckshop

Tuckshop orders should be made via the Flexischools website or app by 9.00am. Students can use the end window in the Secondary School Tuckshop to collect orders. We do not offer IOUs. Secondary School students can link their ID card to their Flexischools account and then simply swipe their card when purchasing. We also have EFTPOS or cash options.

Primary School Tuckshop

Our popular Meal Deal is back – pasta bolognese with a garlic bread and popper for \$7.00. Great for the cold weather!
