From the Principal

Dear Parents

A warm welcome to Week 5.

2021 Student Leadership Team

Earlier this month, the 2021 student leadership team was announced. We congratulate:

College Captains - Ronan King and Chloe Robinson

Vice-Captains

- Social Justice - Maggie Reisenleiter and Abigail Williams
- Cultural - Samuel Henrick and Belinda Schouten
- Sport - Blake Darlison and Kiara Rychvalsky

House Captains

- Bribie - Tara Bogaart and Jackson Mathers
- Fraser - Macintyre Cook and Matilda Jarrott
- Moreton - Miranda Topp and Felicity Yeates
- Stradbroke - Abigail Boutchard and Georgia Pulford

I congratulate all students who put themselves forward for a leadership position for next year. The quality of applications was very high, and the oral presentations a highlight of the process. Please pray for the successful students as they prepare for these critical roles of service in 2021.

Book Fair

A modified Book Fair for 2020 has been planned in Week 6 (17 to 20 August). While parents and grandparents are still not able to come onto campus, students can enjoy Book Fair in the library during opening hours, 7.45am to 5.00pm. A flyer was sent home with students this week and includes details about payment options for students.

There will be a range of books available for purchase (predominantly aimed at Primary School-aged students) from picture books, chapter books and books for more mature readers. Most books range in price from \$5.00 to \$20.00 but are generally priced from \$10.00 to 15.00 each. There will also be several stationery items available.

All proceeds raised are used to purchase books for the junior section of our library. Last year we were able to buy just over \$2,200 worth of books from the Book Fair, thanks to the support of members of the Immanuel community.

Immanuel Features

Thank you to Fiona Christie for her significant efforts in producing a quality *Immanuel Features* publication again this year. It is now 'live' on our website and can be accessed through the link [here](#).

2020 Non-Government School Census Collection Notice

The Australian Government provides funding to Australian schools under the Australian Education Act 2013 (AE Act). The AE Act and the associated Australian Education Regulation 2013 (the AE Regulation) requires that a school authority provides the Australian Government with certain information about the school, its staff and student body to ensure the school's funding is properly calculated and appropriately managed. This information is collected by the Department of Education, Skills and Employment (the department) on behalf of the Australian Government.

The College must provide information to the department about the makeup of the school's staff and student body during an annual school census. This is because Australian Government funding varies according to whether students are primary, secondary, receiving distance education, or are overseas students and is calculated to provide additional funding, called 'loadings', for students at educational disadvantage. Any personal information collected is protected by law, including the Privacy Act 1988, and will be handled in accordance with that Act, the AE Act and the AE Regulation.

Further information, including the 2020 Census Privacy Notice can be found [here](#).

Sleep Tips for Kids

Regularity and routine are the agents of sleep. It takes discipline to adhere to and commitment to making sleep a high priority. Helping kids understand how their body clock works, assisting them to work out their optimal bedtime and putting lifestyle habits in place can help them get the sleep they need to maximise their learning, wellbeing, development and overall performance. Here are some tips to help.

Understand the body clock. Sleep is regulated by a 24-hour body clock that manages the secretion of melatonin to send us to sleep and cortisol to wake us up. This amazing body clock is reset every

day when light first hits our retinas. Sleep in late, and the clock goes out of synch. When your child works with the rhythms of their body's 24-hour clock, they will give themselves the optimal chance for sleep success.

The sleep-wake cycle for teenagers is delayed by up to two hours. That is, they are sleepy later and awake later than when they were children. Melatonin, which makes them sleepy, is secreted as late as 11.00pm for some young people, which makes the time before bedtime a sleepless zone. Cortisol, the chemical that wakes them up is released at close to 8.00am for many teens. If this is the case, your young person's brain wants to be asleep when they need to be awake for school.

Stick to sleep recommendations. The Raising Children's Network recommends between 11-13 hours sleep per night for young children, 10-11 hours for primary school children and 8-10 hours for secondary school-aged kids. As every child is different, you may notice that your child needs more or less sleep than is recommended.

Develop good sleep hygiene habits

- Start a regular bedtime routine at least 45 minutes out from bedtime to help kids get ready for sleep.
- Eat and exercise at the right time. Sleep likes a relaxed body and a calm nervous system, so schedule exercise and active movement before mealtimes.
- Create a sleep sanctuary. Restrict bedrooms to sleep and relaxation quarters and find other places in the house for time out and reflection, homework and active play.
- Keep bedrooms cave-like. A child's bedroom should be cave-like – that is, dark, cool and free from electronic devices. Darkness encourages melatonin, which regulates sleep-wake patterns.
- Get up at a regular time. For optimal sleep, bed and wake up times need to be as consistent as possible.

Lifestyle habits that promote sleep

- Teach your child or young person to put away digital devices at least ninety minutes before bedtime.
- Minimise weekend sleep-ins and limit them to an hour more than usual, to keep the sleep clock operating on a regular basis.
- Encourage your child to go outside every day – take a walk, meet a mate (subject to COVID restrictions) or do an errand.
- Keep homework out of bedrooms, or at least out of beds. The brain associates activity with location, so if kids work while on their beds, it will be hard for them to mentally switch off from their schoolwork when the light finally goes out.
- Confine caffeine to mornings. Consuming caffeine in any form close to bedtime is like throwing a wrecking ball through regular sleep patterns. The brain needs to calm down rather than be artificially stimulated if sleep is to occur.

Sleep is a critical component of enhancing a child's wellbeing, learning, development and overall performance. Helping your child to get enough quality sleep will ensure that their brain and body are being used at full capacity. A link to an excellent TED Talk on sleep can be accessed [here](#).

Getting to know the Immanuel College Council

This week we would like to introduce our College Council Pastor – Rev Mark Lieschke. Mark has kindly agreed to be introduced to our community and answer our eight important questions.

How long have you been a member of the Immanuel College Council? 18 months

What is your job? I am retired after 42 years of ministry in the Lutheran Church of Australian and New Zealand (parishes in SA, NZ, NSW & Qld).

Hobbies/pastimes? Travel, music (listening to and singing), gardening, watching movies

Which sporting team do you support? AFL – Geelong Cats; NRL – Manly Sea Eagles

What is your favourite meal? Steak and chips

Given the choice of anyone in the world, whom would you want as a dinner guest? Family – as we are only all together on irregular occasions

What is the place you would most like to visit? Canada (again) as two of our children live there

Who do you admire most as a leader? Dietrich Bonhoeffer. A Lutheran Pastor who was an influential critic of Hitler and Nazism. He was arrested in 1943 for conspiring against the Nazi regime and was executed in 1945. His theology and writings remain influential today.

A sincere thank you to all our parents for their continued support of the College, and for their patience as we navigate these changed circumstances for our community. May God continue to bless our staff, students and families.

Yours in Christ

Chaplaincy Chat

Gayla Mathews – Chaplain

College Counsellor

Child psychiatrist Dr Kaylene Henderson asked her Facebook followers to share stories about their children. Here are a couple that were posted:

“When a family member passed away, our 4-year old son asked: “Did he go to Kevin?” Kevin is a Chinese student who stayed with us.”

“Mum, I learnt at school today that Easter isn’t about eggs! It’s about cheeses”.

“I don’t feel well. I think I’m going viral.”

We all have stories like these. One of my friends cried the entire first day of Year 1 because he was put in Blue house. He lived in a brown house and thought he was going to be moved and never see his home again. My sister-in-law remembers that for a while, she was considering becoming vegetarian as a child because her best friend told her that “Jesus died on a stake (steak)”. These stories are wonderful reminders that children do not see the world in the same way that we do.

Children are not mini adults and their perceptions can be vastly different to ours. At times, it can be difficult to understand the anxieties our children experience because they view the world through different eyes, and because they do not have the language to fully explain what they feel.

While some anxiety can require professional support and intervention, the article below is a good start to supporting children through worries.

Primary School

In the past fortnight we have had the pleasure of welcoming several new students to the Primary School. It is with great pleasure that we welcome Ian (PL), Mikaela (PC), Mila (PL), August (3C), Annabelle (3C) and Phoenix (5I). We pray they settle well into our school and we are very excited to have them join our community.

In staffing news, Mrs Jannette Osborne will commence long service leave on Friday next week and will be replaced by Mrs Lexeen Lindsay until the end of Term Three. We wish Mrs Osborne well for rest and rejuvenation.

Class Placements Years 1-6, 2021

We will soon begin the complex process of allocating students to their 2021 classes. Many factors are taken into account when considering each child's placement. These include student learning needs, gender balance, class target size and friendship groups.

Teachers have considerable input into this process and will make suggestions related to the various needs of the children in their current classes. Each child will have an opportunity to list a small number of friends with whom they believe they can work positively. We guarantee that each child will be with at least one of the children on their shortlist, *but not necessarily their first choice*.

Primary School staff will use all this information in combination with the previously mentioned factors to place children into classes for next year. Draft lists will be rechecked by the teaching staff alongside Jodie Hayat, Tim French and myself to ensure that each student is placed in the best situation to meet their educational needs.

Should parents wish to submit specific written information regarding their child's particular needs, please ensure this reaches me by 4.00pm Friday 18 September via E: bondl@immanuel.qld.edu.au.

I ask that your request relates only to your child's needs and not to the naming of specific teachers. Please do not pass verbal requests to teachers as only written requests are able to be considered.

It is not possible to balance many requests for one child when considering all the other children in a year level. For this reason, I ask that you limit your request to a single specific issue. In addition, given that there are many factors to be considered when placing students, it may not be possible to accommodate all parent requests.

Please understand that it is not necessary for parents to write to me, and in fact, most parents do not. Parents will be advised of 2021 class placements prior to our Orientation Morning at the end of Term Four.

Parent Teacher Interviews

Parent/teacher interviews will be held on Wednesday 19 August from 3.20pm to 8.30pm. Class and specialist teachers will be available. Thank you in advance for your involvement in these important discussions regarding your child's progress and goal setting for Semester Two. We look forward to seeing you there.

Meeting on Campus with Staff

It is now compulsory for all College visitors, including parents and guardians, to sign into the Sine Pro System at Main Administration when meeting formally with College staff. This is for tracking and tracing purposes during the day and needs to occur prior to a visitor, or a parent meeting with the relevant staff member.

The exceptions to this process are for pre-arranged and booked school events such as our upcoming Parent Teacher Interviews on 19 August (3.20pm to 8.30pm) as we already have a database of registered visitor attendance via School Bookings Online.

I thank parents in advance for your support of these changed arrangements for onsite meetings.

Early Learning Centre (ELC) Car Park

Thank you to the many parents who have graciously acted on our requests regarding parking in the ELC car park. We again respectfully request that Primary School parents who do not have children in the ELC, refrain from parking in the ELC designated car park during morning drop-off and afternoon pick-up times.

P-2 Athletics

Next Tuesday 18 August, Years P to 2 students will participate in our Fun Athletics Carnival. A reminder that due to COVID-19 restrictions, no parents are able to come to the event as spectators. We will be sure to post plenty of photos of the day on our social media platforms.

Primary School Photo Day

Friday 7 September is scheduled as Primary School Photo Day. Information has been sent to parents regarding relevant requirements.

Year 5 Camp

Yesterday, Year 5 students headed away with much excitement for their outdoor education experience at Mt Binga until Friday. I wish to thank the attending staff for their willingness to give up their personal time to allow our students to experience this event.

Prep 2021 Readiness Interviews

Our 2021 Prep Readiness interviews were completed during the past two weeks with members of the Prep teaching team. If you have accepted an enrolment offer in Prep for next year, and have not yet completed a readiness interview with your son/daughter, please call Mrs Lisa Bond in the Primary School Office T: 5477 3402 who will assist you to organise a meeting time.

Thank you for the continued support of your child's learning journey in the Primary School.

Scott Moore – Head of Primary School

Staff Profile - Jenny Byrne

Getting to know Immanuel's Staff

And now, for something different. Starting this week, we bring you a new section of Immanuel in Touch – introducing the College's talented and diverse teaching and support staff.

At Immanuel, we believe that every child deserves exceptional teachers and support staff. What better way to demonstrate this, than by providing insight into their teaching and everyday lives.

This week, meet Teacher Librarian Jenny Byrne.

What is your position/What subjects do you teach?

As Teacher Librarian, I have the privilege of working with Prep to Year 12 students providing information, digital and lifelong literacy for a plethora of subjects. This term, I have reef stewardship, Jewish cultural practices, Asian studies, Reader's Cup, independent senior student learning, reading programs and a makerspace program.

What is the greatest success you've had at ILC?

Seeing students make, strive for and meet goals, particularly with literacy. Through the introduction of the Accelerated Reader program for Years 4-9, students are making enormous gains in their literacy, and there's nothing like success to encourage success as we engage in this data-driven process. We understand that programs need to be tailored to individuals and that is why students strive to improve themselves, not compete against each other.

In your classroom, how do you make learning an adventure?

By having fun and exploring the wonderful world that we live in. Whether it's reading a story to younger children with a huge range of weird vocal effects, to inviting a 'buy in' to role play a cultural practice for the class, Immanuel's Innovation Hub is a place to explore.

What hobbies or interests do you have outside of school that give you time to relax and refresh?

I ride a dirt motorbike around the forest on the weekends and am reminded of the freedom we share in this country. My bike weighs more than I do, and I am truly grateful for its ability to take me up rocky slopes that I would struggle to push it up. I'm not ready for the Dakar Rally, but there's plenty of excitement in our local area to appreciate, with or without air-time.

2021 Enrolments

As we begin our planning for next year, parents are reminded to advise the College if their child/ren will not be returning to ILC in 2021.

Should this be the case, families are asked to provide written notice to the Enrolments Registrar no later than Tuesday 6 October 2020, otherwise, payment of a term's fees in lieu of notice will be charged.

Also, if you have a child eligible to commence Prep or Year 7 in 2022, and you have not been contacted by the College to arrange an enrolment interview, it is possible that we may not have their application on file.

Please be aware that attendance at the Immanuel Early Learning Centre does not automatically enrol children into Prep at the College.

For more information, please contact me.

Secondary School

2021 Student Leadership Team

Over the past four weeks, Year 11 students have been working through the 2021 Student Leadership appointment process. I thank each student who applied for a position.

In putting themselves forward, I can confirm that all demonstrated a notable level of maturity and a genuine commitment to our College community. With the process now complete, we were delighted to announce the final appointments on assembly last week as detailed in the Principal's report.

Acknowledgement of College Honours

Tomorrow we will formally recognise students who have achieved College Honours and Full Honours. Students who receive Honours/Full Honours must be in Years 10 to 12 and have demonstrated a significant commitment to the College in a wide range of academic, cultural, service and sporting endeavours. Once earned, their blazer pocket is then decorated with the name of the award and a representative gold wreath on either side of the College Crest. Congratulations to:

Honours: Lucy Brial, Jerry Fu, Luca Masri, Neve Randall, Chloe Robinson, Belinda Schouten, Hunter Smith, Abigail Williams

Full Honours: Oliver Beard, Luke Bindon, Adrienne Halpin, Piper Hertslet, Jessica Ling, Joshua Linnett, Britta Madsen, Hayden Morris, Jack Trentepohl, Harry Williamson

Year 7 Camp (25-28 August)

Year 7 students are looking forward to their camp at Mt Binga, which will take place during Week 7 from Tuesday 25 August to Friday 28 August. Students will be required at the Bus Turnaround area at 6.45am on the Tuesday for a 7.00am departure. Due to the current health environment, students will need to complete a COVID-19 Risk Management Plan prior to the camp. This was emailed to families on Monday and it is asked that the students bring it with them, already completed, on the morning of our camp departure. Students who also require medication whilst on camp (including Panadol or Nurofen) will need to bring it in a zip-lock bag with their name printed on the front. All prescription medication will need to be supplied in its original box with clear instructions provided. Medications will be collected at the Bus Turnaround

on Tuesday morning. Our expected time of arrival back to ILC is 2.30pm on Friday 28 August. A list of what students will need to bring to camp can be accessed at: [Year 7 Camp - What to Take List.pdf](#). Should families have any queries, please do not hesitate to contact Year 7 Coordinator Mrs Joanne Matthews at E: matthewsj@immanuel.qld.edu.au.

Year 11 Dinner (21 August)

With just under two weeks to go, Year 11 students are looking forward to their belated 2020 May Dinner on Friday 21 August. Held at the Surf Air Conference Centre (Marcoola), the evening commences at 6.15pm for a 6.30pm start. *Through the Decades* is the theme of choice, with all costumes officially judged by staff on the night (there will be a multitude of prizes up for grabs!). Students who still need to purchase a ticket can do so via [Flexischools](#) or by contacting the Business Office on T: 5477 3435. A reminder that the evening is a 'non-parent' event. We are looking forward to a great night.

Senior Jersey Orders

Many thanks to all Year 11 students who have purchased a Senior Jersey. The jersey features the College logo on the front and the student's preferred name and graduating year ('21') on the back. Year 12 students are permitted to wear the jersey with their PE uniform whilst at school and at other times specified by the Year Level Coordinator. The Senior Jersey for 2021 can be ordered via [Flexischools](#) or directly with the Business Office. To ensure an on-time delivery, all **orders must be placed by this Friday (14 August)**. Should you have any further queries, please contact the Secondary School Office on T: 5477 3461 or E: karageorgef@immanuel.qld.edu.au

Year 11 Moreton Island Retreat (5-9 October)

The five-day Year 11 Moreton Island Retreat is planned to be a true highlight for students. One aim of the retreat is to facilitate and encourage positive student leadership, and will involve exercises in problem solving, individual challenge and group coordination. This year, the students will attend the camp from 5 to 9 October (Term Four, Week 1). Though a while away, it is important that they have their [medical, contact and dietary information up-to-date on SEQTA](#) so that we can best prepare for the week away. It is asked that parents please attend to this prior to the end of August. Should you have any queries regarding the camp, please contact Year 11 Coordinator Mrs Rita Rainnie E: rainnier@immanuel.qld.edu.au or on T: 5477 3461.

Nick Cheyne – Head of Secondary School

2020 Early School Leavers survey

The Queensland Government is seeking the support of the Immanuel community for their annual survey of Years 10, 11 and 12 students who left school in 2019. This short, confidential survey collects information about what young people are doing the year after leaving school. The results of the survey help provide valuable information to improve services available to school leavers in the future.

Between August and September, these school leavers can expect to receive instructions to complete a web-based survey or a telephone call from the Queensland Government Statistician's Office. Please encourage them to take part. If their contact details have changed, please assist the interviewer with their updated details or forward the survey to their new address so they can participate.

Thank you for your support of *Next Step* post-school destination surveys in 2020.

For more information, visit www.qld.gov.au/nextstep/ or telephone toll free on 1800 068 587.

Careers Website

www.immanuelcareers.com.au is a dedicated careers website for both parents and students. It provides information on career planning, post school options and job opportunities. Information on the website will be continually updated so please check the website regularly.

Secondary School Sport

Basketball

Our two senior basketball teams have just completed Round 4 of the competition. The Senior Boys had a draw against SCGS and the Senior Girls had a loss to Chancellor. Both teams have been training well and we wish them all the best in Friday's Round 5 games:

- Senior Boys v Mt Creek at MFAC at 5.00pm
- Senior Girls v St John's at Caloundra Indoor Sports Stadium at 6.00pm

Touch Football

Immanuel's touch teams have been training well and the results of this are being seen on field with a number of teams enjoying good wins.

The Junior Boys had a bye last week. Junior Girls played MFAC yesterday after their camp of last week. The Intermediate A Girls had a solid win over Suncoast 4:1, and the Intermediate Girls B team lost to MFAC. The Senior Boys team defeated Glasshouse 7:5 and the Senior Girls defeated GSLC 5:2.

- Junior Boys v SCGS on ILC Main Oval at 4.00pm
- Junior Girls v Glasshouse at 4.00pm. Bus provided for players, leaves bus turnaround at 2.45pm, returning at approximately 5.45pm. Students can also be collected from Beerwah Bulldogs grounds.
- Intermediate A Girls v MFAC at MFAC Field 4 at 4.00pm. Students to make their own way to venue.
- Intermediate B Girls v GSLC at GLSC Field 2 at 4.45pm. Bus provided for players. Leaves bus turnaround at 3.30pm, returning approximately 5.45pm. Students can also be collected from GSLC.
- Senior Boys v SAAC on ILC Main Oval at 5:00pm
- Senior Girls v SAAC at Peregian Springs Playing Field 1 at 5.00pm. Students to make their own way to the venue.

Independent District Track and Field Trials (7-8 September)

Students interested in nominating for events at the District Track and Field Trials should see me in the Stadium Office to ensure their name can be forwarded to convenors. It would be expected that students finished in the top five places in their preferred event at last year's district carnival.

Interhouse Sports Carnival - Thursday 20 August.

We are looking forward to the Interhouse Sports Carnival that will take place next Thursday in place of the usual Interhouse Athletics Day. Students will wear their House sports uniform to school that day and work a usual morning from Homegroup and Lessons 2,3 and 4.

After morning tea, students will break into year levels and move around a number of different venues to compete in a range of events. In the afternoon, a presentation will take place to the winning House.

Events will include 100m sprint and baton relays, long jump, ball games, tug of war, novelty relays and the vortex throw. More information will be discussed with students in House meetings this week. It will be a good opportunity to see some friendly House rivalry and a chance for students to try their skill at some different types of events.

Unfortunately, we are still unable to have spectators attend campus. However, we will be sure to take plenty of photos to capture the colour and movement of the day.

Cocurricular Music

Semester Two LIVE Concert

Beginner String Program and Beginner Woodwind Brass and Orchestral Percussion Program

We will be sharing LIVE on Facebook performances by Beginner Band and Beginner String Ensemble at the following times.

- Tuesday 18 August – 3.30pm (Beginner Band)
- Wednesday 19 August – 3.30pm (Beginner String Ensemble)

Students will be rehearsing at their normal time of 3.00pm to 3.40pm on the 'concert' days.

Sunshine Coast Junior Eisteddfod Results

"Every student is to be commended for their efforts, particularly during these 'different' times. Please pass on our sincere congratulations." (Mr Colin Minke – College Principal)

Thank you to all our talented Cocurricular Music students and families who supported this year's Sunshine Coast Junior Eisteddfod (SCJE). From our youngest performers to our graduating students, this community music competition inspires so many and has been such a positive experience for 2020.

The SCJE is officially finished for 2020! We are very proud of all our Cocurricular Music students who performed. Immanuel featured strongly in all sections of the eisteddfod. Special mention to the following students who placed in their respective sections:

Immanuel Loud 2.0

This year, Immanuel Loud 2.0 has been re-designed and we are excited about the line-up.

On Wednesday 19 August, we will be holding Immanuel Loud 2.0, with a strict 'no audience policy' and using this time to record our ensembles associated with the Rock Band Mentoring Program and also recording selected soloists. This will then form a high-quality concert video that we will share with our community.

Students applied to be considered as soloists for Immanuel Loud 2.0 and a selection panel picked who will be recorded, along with all our contemporary ensembles.

Please find below details about Immanuel Loud 2.0 (including who has been selected to be soloists).

College Shop

The new formal and sports socks should be available by the end of August. Single packs of the current navy formal socks and sports socks, which can be worn until the end of the year, are available at half price. The sale price is also available on Flexischools as well as in store.

Parents are always looking for second-hand items which sell for half the cost of new items. Maybe you have uniform items you could sell back to us? As long as they have the current logo and are washed and ironed with no marks or stains, we can receive them back into our supplies.

To assist with social distancing and limit the number of customers in the College Shop, you can order uniforms online via [Flexischools](https://www.flexischools.com.au) and your items will be delivered directly to your child's classroom. If you need any help with sizes or advice, please call T: 5477 3457 and we will do our best to help you. We ask that you kindly wait outside until you are called into the shop. Your understanding is greatly appreciated.

Tuckshop

A reminder that the Secondary School Tuckshop is still cashless. Card sales only or you can add the barcode from your child's ID card to your Flexischools account. As always, orders can be placed via Flexischools for Primary School Tuckshop on Monday, Wednesday and Friday.

Did you know that we bake our own cookies in both tuckshops? Our cookies are another one of our very favourite items on our menus. To check out the [tuckshop menus](#), [click here](#).
