From the Principal

Dear Parents and Friends

Welcome to Week 7

Vale Saxony Walker

It was with great sadness that I emailed our community with the news that one of our Year 9 students, Saxony Walker, passed away on Tuesday 9 November, following a tragic medical event last weekend.

I have been overwhelmed by the amazing love and support expressed by our staff, students and families over the last week, and ask you to especially pray for the Walker family this Friday. It is times like these that the wonderful spirit of care and compassion that is part of the Immanuel community comes to life. Thank you.

Farewell Class of 2021

This week we are farewelling the Class of 2021. Amongst other activities this week such as Cutting the Net, we have the long-held tradition of the Walk of Faith happening on Friday morning, which sees every student in the College from P to 11, including some children from our ELC, gather to form an honour guard through which our graduates process. At that time, Year 12 students are encouraged to pause and reflect on their own schooling journey, the milestone moments and the people who helped them along the way.

The Walk of Faith is followed by our Valedictory Service, which is designed by the students, centred on the students, and is a wonderful way to mark their final experience on the grounds of Immanuel.

Every blessing to the Class of 2021.

Preps presenting farewell cards to Year 12 students.

Staffing 2021/2022

At the end of this year, several members of the ILC staff family will leave us. Their service will be acknowledged at our final Staff Worship on Friday 3 December, but I also take this opportunity to wish them God's richest blessings for the future.

Please join with me in thanking the following staff members for their loyal and dedicated service: Greg Forrest (PS Teacher), Jannette Osborne (PS Teacher – currently on leave), Scott Moore (Head of PS), Clint Bullock (SS Teacher), Matt Bindon (SS Teacher), Greg Lavey (SS Teacher), Alison Matsunaga (SS Teacher), Gill Haylock (SS Teacher), Victoria Archer (SS Teacher), Cheryl Fillmore (Deputy Head of SS) Tayla Rawlings (Mt Binga, Outdoor Education Instructor) and Maddie Boulton (Mt Binga, Outdoor Education Instructor).

While I do not want to single anyone out, I do acknowledge our long-serving staff and their cumulative years of service: Cheryl Fillmore (25 years), Jannette Osborne (21 years), Victoria Archer (15 years) and Greg Forrest (13 years). Between them, they have dedicated over 74 years to the Immanuel community!

We will welcome the following new staff to the College in 2022:

Christmas Carols Community Event

In conjunction with Friends of Music and ILC, the P&F encourage families to join us for Christmas Carols on Friday 26 November from 4.30pm to 7.30pm on the A. J. Jericho Stadium Oval. There will be FREE rides for the kids, a jumping castle, face painters, food stalls and some wonderful performances from our Music students. It promises to be a fun and relaxed evening and the perfect way to wrap up the school year with friends.

Along with the Christmas Carols, the P&F are running a Monster Online Raffle with all the prizes that were generously gifted to us by local businesses for Fruehlingsfest. They have generously committed to funding a half basketball court at Mt Binga for all students to make use of when they're visiting for school camps, and we are asking families to help by supporting the Monster Raffle (linked [here](#)) and purchasing tickets for a chance to win one of 50 fabulous prizes! It is only \$10.00 for ten tickets, which can be purchased [here](#). The raffle will be drawn on 26 November, and winners will be notified within 24 hours.

If you have any questions about the Monster Raffle or Christmas Carols, please contact Mrs Lauren Nielsen on T: 5477 3419 or E: nielsenl@immanuel.qld.edu.au.

Every blessing to our families for the coming fortnight.

Yours in Christ

Chaplaincy Chat

The Parents' Prayer Group meets in the Worship Centre meeting room on a Friday morning from 8.15am to 8.35am.

It is postponed this week due to valedictory celebrations but will be held in Week 8. You are warmly invited to join us in prayer for our community at this time.

Gayla Mathews – Chaplain

College Counsellor

What stops us from being kind? We like the concept but often fall short in practice. Sometimes it is because we are tired. We don't want to look silly. We are too focused on ourselves. We overthink. We imagine that we can't make a difference. We complicate things and end up doing nothing.

The past week I have heard a wealth of stories about kindness. I have heard about new students welcomed by a kind word and a kind face. Of struggling peers offered a hand. Of a smile bringing light. Of a person not concerned about appearances but more focused on how others could be helped. Of a person prepared to take a risk to make another feel better. Stories of generosity. This past week we have been pulled to a stop, and pushed, in our grief, to consider what really matters in the end. I have heard people commit to living kinder. Sharing that they are inspired to think less about themselves. That they are wanting to get more involved in life.

Saxony Walker's kindness and generosity of spirit, her ability to hold true to her values and to herself, have left us with a resounding legacy. Stories of Saxony have a common theme. Saxony noticed those who were unsure or a little out of place, those who were new to a group or to the College, and she made sure they were included. She was generous with herself. Those around her felt seen and heard. Saxony reminded people that they matter.

In the end, so many of our thinkings and plannings and strivings will fade. Not so our kindnesses – these will live on in the hearts of others.

Vale, beautiful Saxony. We are kinder because you were here.

(Please don't hesitate to be in touch should you require support at this difficult time. The following link has some useful information for supporting young people as they grieve).

Primary School

We look forward with excitement to next week's Years 3 to 6 Primary School Celebration of Learning. Every student in the Primary School has contributed so much during 2021 and it has been wonderful to watch them grow and flourish. The last two weeks of the academic year promises to be both busy and rewarding.

I encourage all students to continue to strive for excellence and persistence in all areas of their school life in these final days of term.

Any families who are planning to leave the College early for holidays are asked to notify me via email or letter. The school year finishes for Years P to 6 students at 3.00pm on Wednesday 1 December. Semester Two reports will be available shortly afterwards.

Years 2-5 Swimming Carnival

On Monday 22 November, all Years 2 to 5 students will travel by bus to Nambour Aquatic Centre for our Interhouse Swimming Carnival. Students are reminded to wear sunscreen, their house uniform, hat and ILC, plain black or navy swim wear. Parent spectators are very welcome to attend.

Years 3-6 Celebration of Learning

On Wednesday 24 November all of Years 3 to 6 will come together to be a part of our 2021 Celebration of Learning at Lifepointe Baptist Church, Wisers Road, Maroochydore. Students will travel by bus to and from the event departing the College at 9.15am for a morning rehearsal in readiness for the event commencing at 1.00pm. Doors will open for parents and guests at 12.30pm. Parents may choose to take their child home immediately after the event and they should sign out with their class teacher.

Students will not be able to order tuckshop on the day so should bring a packed morning tea, lunch and water. Students are required to wear formal uniform (excluding hats), black shoes and be well groomed.

Year 6 Graduation, Swimming and Colour Run

Year 6 students will enjoy several end-of-year events as a culmination of their primary years of schooling:

- 23 November - Year 6 fun swimming carnival
- 30 November - Year 6 Graduation
- 1 December - Colour Run (students should bring along old white/light coloured clothing)

Immanuel's Carols

Join us for Immanuel's Carols for 2021 from 4.30pm on Friday 26 November. It promises to be a fabulous opportunity to come together as a community to conclude the school year. We look forward to seeing you there.

2022 Years 1-6 Class Orientation Morning

On Monday 29 November all students in Years 1 to 6 in 2022 will take part in our orientation morning. The morning involves new and existing students in the Primary School spending a short period with their 2022 class teacher. It allows an opportunity for teachers to share information with their new class about the exciting year ahead at Immanuel, as well as begin that important community-building process within the classroom. Families will be notified of 2022 class placements in Years 1 to 6 in Week 8. Prep 2022 families will receive their class placement notifications in early December.

Prep – 6 Celebrations

Years Prep to 6 will enjoy several end-of-year celebrations including plays and class parties in Week 8 and 9. Please see information from your child's class teacher.

Vacation Care

Immanuel Vacation Care bookings are now being taken. If you need care during the holiday period, please contact Ms Tamara Scutts on T: 5477 3418 or E: oshc@immanuel.qld.edu.au as soon as possible. The service is available for Vacation Care from Thursday 2 December until Friday 17 December. The service re-opens for families after our Christmas closure on Tuesday 4 January until Friday 21 January.

Thanks for your continued support of your child's learning journey at Immanuel.

CDC Bus Information

Due to the road rehabilitation works to be conducted along Cinnamon Avenue, Coolum Beach, Sunshine Coast Council has advised of a temporary road closure **from Monday 8 November until further notice**.

During this period, CDC Sunshine Coast will service route number 5725AM and 5725PM in the morning and afternoon via a route diversion. Please refer to this [Service Update](#) for more information.

Secondary School

House Farewells

As Year 12 students continue to enjoy their final week of school, we valued the opportunity today to farewell them in their respective House groups. This a long-standing tradition of the College whereby all students

across the two sub-schools come together to celebrate with our seniors. They will be missed by many, and we wish them all the very best for their upcoming Valedictory Day.

Secondary School Awards Assembly (18 November)

Tomorrow we acknowledge 2021 award recipients during a special assembly from 1.30pm to 2.45pm at the Lifepointe Baptist Church (186 Wisers Road). During this time, Year 12 students will also receive their graduation certificate and will be announced formally as our Class of 2021. This event may be attended by Year 12 parents only.

Year 12 Valedictory Day (19 November)

Friday is the last day of school for our Class of 2021. From 7.45am they will be permitted on campus to enjoy a BBQ breakfast together on the A.J. Jericho Stadium Oval before their final year level assembly, Walk of Faith and Valedictory Service. I thank all Year 12 Home Group teachers and Year 12 Coordinator, Mr Matthew Cardus for their efforts throughout the year in mentoring our seniors, and also parents who have entrusted us with their children's educational journey. On behalf of the College community, we thank Year 12 students for all for the contributions that they have made to Immanuel and wish them every success in their future endeavours.

Drop and Go Arrangements (19 November)

As Year 12 students will be granted special permission to park on the oval side of the Bus Turnaround on Friday morning, it is asked that parents use the Worship Centre Drop and Go Zone as an alternative on this day.

Australian Business Week – Year 10 (22-26 November)

Year 10 students will be busy with their Australian Business Week program as from Monday. The ABW program is designed to encourage independent and cooperative learning skills among our young people, whilst helping them to develop an 'enterprise mindset' prior to entering the workforce or proceeding to further study. ABW has proved to be an intensive learning experience that is challenging, enjoyable and very rewarding for all involved. Participation in a range of situations will see our students

- Experience the responsibility of running a business.
- Practise making important decisions and experience the results.
- Improve or develop leadership skills.
- Learn to work effectively as a team member.
- Develop time management skills.
- Obtain advice and insights from business experts.
- Gain a clearer picture of career preferences.
- Improve oral and written presentation skills.

Year 9 Rite Journey Retreat (26 November)

On Friday 26 November, Year 9 students will participate in their final Rite Journey retreat. Commencing at 8.35am (immediately after Home Group) it is expected that they will attend the retreat all day. This means that they will be required to reschedule music lessons and any other commitments they have, where necessary. Students will also need to bring their morning tea and lunch (noting that tuckshop will not be available), a water bottle and a pen for the day. They may wear their sports uniform and will require a hat to wear during break times. Since they will spend most of the day working on the floor, it is advisable that they bring along a pillow or cushion for extra comfort. Should you have any queries regarding the retreat, please don't hesitate to contact Gayla Mathews at E: mathewsg@immanuel.qld.edu.au

Years 7-9 Alternative Program (28 Nov – 1 Dec)

From Monday 28 November to Wednesday 1 December, all students in Years 7 to 9 will participate in an alternative program that aims to maximise teaching and learning opportunities, whilst also providing meaningful and enjoyable activities to conclude the year. During this time, students will complete final exams that will include some of the most important assessment tasks for the year. Please note that all learning is assessed by end-of-year standards and students will be adversely affected if they do not fully attend and complete these assessments. Additionally, exams cannot be completed before the scheduled time. Therefore, attendance for the alternative program is compulsory. Further to assessment, a range of fun activities will be embedded into the program for our students to enjoy. Information regarding the schedule can be accessed here: [2021 Alternative Program for Years 7-9](#). I trust this final week to be a valuable and enjoyable end to the year for our students in Years 7 to 9, and I wish you every blessing for the remainder of Term Four.

Nick Cheyne – Head of Secondary School

Secondary School Sport

In recent weeks Immanuel sporting teams have displayed outstanding skills and teamwork as many competitions moved into finals rounds.

Rugby 7s Finals

Following an undefeated season in which they played nine games, the ILC U18 Girls' team were successful in both semi-finals and won the Rugby 7s Premiership.

The ILC U18 Boys' team finished in sixth place. Our U14 Boys lost a very close semi-final, regrouping to win third place against PLC.

Thank you to coaches Mr Bullock, Jack Batterham (Class of 2018), Alex Dwyer (Class of 2013), Harry Ling (Class of 2018) and the many parents and students who travelled to Kawana to support our teams.

Water Polo Finals

Last Monday night our Junior Girls defeated SAAC 17:0 in their bronze medal game equaling the achievement of the Intermediate Girls earlier this term. In recognition of their outstanding sportsmanship, the team was awarded the Helen Park Cup which is given to a team nominated by other teams (from a field of over 70 junior and intermediate teams) that displays the attributes of teamwork, respect and encouragement. Congratulations to our Junior Girls for this honour and to their Coach Mrs Kylie Johannessen.

After a very close first two quarters, the Intermediate Boys won 11:7 in their grand final match against MFAC. Thank you to Mrs Thornton for managing the team and to Mr Staskiewicz for coaching the team. Thank you also to Mrs Thompson and the many parents who came along to support our players that evening.

Basketball Finals

On Friday 12 November, ILC's basketballers played in their grand finals. Our Junior C Boys lead for the majority of the game and were defeated by a last-minute goal from St John's. The score was 21:22. Thank you to Coach Scott Woodill (Class of 2019) and the parents who travelled to SCGS to support our team.

Our Intermediate B Boys team won their grand final against Coolum SHS 47:40. Thank you to Callum Turner (Class of 2017) for coaching the team this year and to the parents and students who went along to support the team.

SCISSA Soccer Finals

- The Junior Boys had a close win over GSLC while the Junior Girls lost to GSLC.
- Our Intermediate B Girls team narrowly missed out on a grand final appearance.
- I wish the Intermediate A Girls team well in their grand final today (at Kawana) following their excellent semi-finals games.

Thank you to coaches Mr Blom, Elliza Lane, Ewan Mitchell and Jason Thompson for all their assistance this year.

2022 Swimming Dates

The 2022 Interhouse Swimming Carnival will take place at the Nambour Aquatic Centre on Monday 31 January. Students will travel to and from the venue by bus. The majority of events are 50m races and relays, the results from which are used to select an ILC team for the Independent District Swimming Carnival

The 2022 Independent District Swimming Sports Carnival will be staged at SCGS on the afternoon and evening of Monday 14 February. Once again, the majority of the program are 50m events. There will also be 100m freestyle events conducted earlier in the program. Students interested in nominating for this event and other regional events such as Individual Medley and longer distance events (100m, 200m, 400m etc. for the various strokes) will need to submit a designated District Paper Nomination Form. The form requires supporting documentation from Swim Australia – Results Central, clearly showing the date, "long course", child's name and result obtained in the current swimming season 1 July 2021.

St Andrew's Invitational Relay Swimming Carnival

Due to the Primary School having their interhouse swimming carnival the day before this event, and little interest in this event, the College is not sending a team to this carnival.

Wellbeing

SPECIAL REPORT: Respectful Language

In today's world, it is common to hear socially offensive language on the streets, on social media channels, streaming services and in some forms of modern music. While swearing is becoming more common and less taboo, the use of derogatory language or the act of swearing at someone, or about someone, is a form of verbal violence. It transgresses the usual rules of social interaction by impinging on an individual's self-image and sense of dignity.

It is becoming apparent that some young people are being influenced by the language they hear. Proliferating the use of swear words can sometimes normalise, glamorise and desensitise their impact for kids who may misunderstand the true meaning of some derogatory terms. Whilst some students may use swearing or derogatory terms as a misguided attempt at belonging, others may use it simply because they are still learning how to moderate their language and are not accustomed to making adjustments to suit different situations.

Although many schools enforce a zero-tolerance policy when it comes to swearing and derogatory language, parents need to also play an important part in enforcing this approach. Parents and carers can be proactive in monitoring what their children are viewing or being exposed to. Discussing the use of words or the origin of some derogatory terms and gaining insight into the reason behind their child's use of such language can help prevent inappropriate or disrespectful language filtering into the classroom or the school yard, which in turn helps to build more tolerant, safe and connected communities.

This Special Report offers a number of guidelines to help manage a suitable approach when discussing the importance of respectful language. We hope you take a moment to reflect on the information offered, and as always, we welcome your feedback. If this raises any concerns for you, a loved one or the wellbeing of your child, please seek medical or professional help.
