2024 Scholarship Guidelines

Overview

At Immanuel Lutheran College, we are proud to offer a wide range of scholarships designed to support talented students who have the potential to benefit from the College's outstanding academic and co-curricular programs.

We are committed to nurturing our students by awarding scholarships across a broad range of abilities. Successful candidates are awarded a scholarship based on the following criteria:

- Academic performance (Edutest Scholarship Test and previous academic results)
- Achievement and involvement in areas of Sport, Music and the Arts.
- Leadership
- Community service

Scholarships awarded to successful students will provide remission of tuition fees (excludes levies and other costs, e.g., uniforms) up to 50%.

Terms and Conditions

1. Scholarships will be awarded at the discretion of the Principal and are subject to a quota that is determined by the College Council.
2. Scholarships are not available to full overseas fee-paying students.
3. Candidates, if shortlisted, may be invited to have an interview with the Principal, and all offers will be made in writing. Any scholarship offer not accepted by the due date will lapse.
4. Scholarships are awarded on the proviso that the student continues to meet the specific conditions set out in their written offer, participates to the best of their ability in College activities and adheres to the College's Code of Conduct.
5. Scholarship students' results/commitment to College events (specific to their scholarship offer) will be monitored each semester to ensure recipients meet their obligations.
6. Scholarships are offered for the duration of the recipient's enrolment at Immanuel Lutheran College. Recipients awarded a scholarship from Years 6, 7 and 8 will be required to attend a review interview with the Principal/or elected delegate prior to entering Year 10.
7. Should a scholarship recipient fail to meet their scholarship obligations, counselling, followed by a letter of warning, shall be issued for corrective action to be taken by the student. The student shall then have the following semester to meet their initial scholarship requirements. In the event of the student returning a second unsatisfactory semester review, the scholarship may be reduced or cancelled as determined by the Principal.
8. Successful candidates who are not current Immanuel students will not be required to pay the application or confirmation of enrolment fee as part of their scholarship package.
9. The scholarship does not cover costs such as the resources levy, uniform, books or music tuition fees.
10. All candidates, both successful and unsuccessful, will receive written notification in due course.
11. Candidates who do not meet the eligibility criteria for a scholarship may, in some instances, be considered for a Principal's Bursary, which is awarded at the Principal's discretion.
12. Immanuel Lutheran College will not enter into a dispute regarding the awarding of scholarships.
