Acceptable Technology and Device Use Guidelines

**Immanuel
Lutheran
College**

1.0 Purpose

Technology is a key component of teaching and learning at Immanuel Lutheran College. The College invests in a device program for students to have access to innovative and purposeful technology products, services and programs to support their learning. In line with the Queensland government mandate, mobile phones are banned from use during school hours, including break times and are therefore not an acceptable technology tool for learning at the College.

This document provides guidelines for the safe and appropriate use of school-issued device/s at school and home.

All students will sign a Network and Device Agreement (Appendix A) before being issued with College device/s to confirm that they have read and understood these guidelines and agree to adhere to them.

All parents will sign Parent/Student Agreement to acknowledgement to confirm that they have read and understood these guidelines and agree to adhere to them.

2.0 Scope

These Guidelines are designed to ensure safety for all students and reflect the principles of the eSafety Commissioner and eSafety's Best Practice Framework for Online Safety Education. This framework and the Online Safety Act 2021, the Australian Curriculum, Assessment and Reporting Authority (ACARA) guidelines, and the Queensland Curriculum and Assessment Authority (QCAA) guidelines inform the Immanuel Lutheran College Acceptable Technology and Device Use Guidelines.

Keeping students safe online is a shared responsibility and requires the combined efforts of schools, families, communities, elders and government. They are shared with school staff, students and their parents/carers.

These guidelines apply to all students in the Secondary School at Immanuel Lutheran College and support teachers to ensure that technology usage is understood and utilised to enhance and support learning consistently. It is applicable to all subjects, and all Secondary School teachers are required to implement and apply these Guidelines consistently.

3.0 Delegation of responsibilities

These guidelines will be implemented by the Director of Technology and Innovation, Deputy Head of Secondary School and Curriculum Leader - eLearning and followed by all Curriculum Leaders, House Leaders, teachers, support staff, students and parents in the Secondary School to promote age-appropriate technology use and skills development.

4.0 Insurance and Replacements Due to Loss, Theft or Accidental Damage

Should a student lose or have their device or accessories stolen, they must report this in person to the Technology Services Department as soon as possible.

There will be an excess of up to \$429 per device payable by families to replace lost or stolen devices. A replacement device will only be issued upon payment of the excess and receipt of the Lost / Stolen Property report lodged with Queensland Police Service.

Should a student damage their device, accessories, or loan device, they must also report this in person to Technology Services as soon as possible. Under our accidental damage protection insurance agreement, incidences of damage to the device/s will incur an excess charge per incident (maximum of \$429 for the Mac and \$150 for the iPad). Families will be invoiced per incident and payment will be required upon receipt of invoice. Any deliberate or negligent damage will require the device/s to be replaced at the family's expense.

The College has a service agreement with external providers, which will ensure repairs on faulty and damaged machines covered under warranty. During the repair period, students will have access to a loan device. This device may be recalled by the Technology Services Department at their discretion if parents delay authorising repairs. Should a loan device be issued to the student, use of the said loan device will be for a maximum of 30 days.

During the school day when devices are not being used (i.e. lunch, Physical Education etc.), students will be required to store their device in their locker. Security cameras have been installed around the school with 24/7 playback to assist with security monitoring. All students will be responsible for securing their own device, and should the above procedures not be followed, insurance may not cover theft, loss and/or damage.

The device/s remains the property of Immanuel Lutheran College until all fees are paid in full. The College reserves the right to retain possession of the device/s whilst any fees remain overdue. If the overdue account is not settled within 6 months of the conclusion of the rental period, then the right to ownership is deemed to be forfeited.

If a student exits the program prior to this term or commences part way through a rental program, there may be an option to pay out the balance of the rental amount or to hand back the device/s prior to exiting the College, if the device/s is surplus to the College's need. Please note the device/s will not be available to purchase in the first year of the program. Purchases in the 2nd and third year of the rental will be at the discretion of the Director of Technology and Innovation College.

5.0 Hot swaps

If a student is awaiting the repair or replacement of their device, they may receive approval to borrow a device for the duration of the repair / replacement period. Upon completion of the repair / replacement, the borrowed device must be returned to the Technology Services Helpdesk. All applications for a temporary loan device must be made to the Technology Services department. All repairs to the device/s must be made via the college's Technology Services Department.

Short term loans will not be made in circumstances such as:

- A student does not bring their device to school.
- The device/s is brought to school uncharged or the battery goes flat (a portable battery pack can be loaned from the Innovation Hub for the day).

6.0 Prohibited Uses (Not Exclusive)

Accessing Inappropriate Materials – All material on the device must adhere to the Network and Device Agreement Appendix A. Users are not allowed to send, share, access, upload, download or distribute offensive, threatening, illegal, pornographic, obscene, or sexually explicit materials.

1. Illegal Activities – Use of the school's internet/e-mail accounts for financial or commercial gain or for any illegal activity is prohibited.
2. Cameras – Good judgment must be exercised when using the camera. The user agrees that the camera will not be used to take inappropriate, illicit or sexually explicit photographs or videos, nor will it be used to embarrass anyone in any way. Any use of camera in toilets or changing rooms, regardless of intent, will be treated as a serious violation.
3. Images of other people may only be made with the permission of those in the photograph and with the teacher's express permission.
4. Posting of images/videos on the Internet is strictly forbidden, without the express permission of the teacher.
5. Use of the camera and microphone is strictly prohibited without the express permission of the teacher.
6. Misuse of passwords, codes or other unauthorised access - any user caught trying to gain access to another user's accounts, files or data will be subject to disciplinary action.
7. Malicious use/vandalism – any attempt to destroy hardware, software or data will be subject to disciplinary action.
8. Inappropriate media may not be used as a screensaver or background photo. Presence of pornographic materials, inappropriate language, alcohol, drug or gang related symbols or pictures will result in disciplinary actions.

Appendix A: Network and Device Agreement

Welcome to the Immanuel Lutheran College network. If you choose to continue, you are agreeing to comply with and be bound by the following terms and conditions of use. If you disagree with any part of these terms and conditions, do not continue.

Use of Immanuel Lutheran College devices, computing and network facilities should be legal, appropriate, responsible and kind (LARK), reflecting Christian spirit, values and community standards. Using digital devices at school and connecting to the College network is a privilege that will continue while the user displays the qualities of good digital citizenship.

Network users will:

- Keep their personal information (e.g. phone numbers, address, passwords) and that of others private.
- Show respect for themselves and others when using technology including social media.
- Give acknowledgement to others for their ideas and work.
- Report inappropriate use of technology immediately.
- Change their password immediately if they suspect it might be compromised
- The College recognises each user's right to privacy and the right to use network services as freely as possible. However, monitoring and logging of network usage may occur to ensure that the integrity of the network is maintained.

Network users may not:

- Allow the use of computing devices to interfere in any way with their school responsibilities.
- Access or transmit any content that would be considered offensive in the judgment of the Principal or delegates because of pornographic, racist, violent, abusive, illegal, illicit or other content.
- Attempt to undermine, hack or bypass any hardware or software security mechanisms on the ILC network or any other network.
- Use network facilities or mobile devices inappropriately (e.g. playing games, knowingly passing on malicious content e.g. spam, viruses or worms).
- Use network facilities for commercial, advertising, or political purposes.
- Cyberbully by using obscene, harassing or abusive language or by passing on such content.
- Download or use software, games, music, graphics, videos or other materials in violation of copyright laws.
- Use another person's data without permission. This includes reading their email or private communications without permission or transmitting private information given in confidence. This also includes photographing or videoing any person without the specific permission of that person and a teacher.
