

Immanuel Football Club

Everything You Need to Know

Is there a sign-on day?

Yes! Please stay tuned for more information on our Facebook page.

Who can play?

We have teams from Under 6s upwards, and we even have an amazing Dad's Team!

What days do we train?

Training days are determined by volunteer coaches. If the selected day is not suitable, there may be opportunities to train with another team. All training sessions are held onsite at an ILC oval.

When and where do we play?

Game day is Saturday. Matches are played at various clubs across the Sunshine Coast. Fixtures are determined by the Sunshine Coast Churches Soccer Association and will be communicated in March.

When will teams be allocated?

Registrations are currently open. Teams will be allocated during Term 1, 2025, and team details will be communicated via email.

Are teams graded?

Under 6s to Under 10s play non-competitive Rooball. We encourage diverse teams with a range of skill levels. From Under 11s onwards, games are competitive and grading may occur.

Do you have all-girls teams?

We will endeavour to place female players into all-girls teams where possible. Team availability depends on registration numbers. All-girls teams compete against other all-girls teams.

Can my child play with friends?

Families may nominate one preferred teammate. We will do our best to accommodate these requests, however this cannot be guaranteed.

What if no team can be allocated?

If an all-girls team is not available, girls will be placed into a mixed team. If no team can be allocated at all, a refund will be provided.

Can I create my own team?

We cannot guarantee this will be possible. We encourage open communication with the committee and flexibility to welcome new players. Final team selections are the responsibility of the committee.

Can I play with my old team?

Where possible, we aim to maintain team consistency, however teams may not be identical to the previous year.

Can I use my FairPlay voucher?

Yes, FairPlay vouchers can be used. Please complete your registration using a credit card, then email your voucher and bank details to the Treasurer to receive a refund.

Who coaches and manages the teams?

Parents! We have some fantastic training opportunities planned, and no prior soccer experience is required. If you're interested, please get in touch.

How are teams selected?

Our committee is committed to forming teams that promote health and fitness, as well as social and emotional development. Under 10 teams play non-competitive Rooball and grading is not permitted.
