A Friendly Reminder

To keep the transition consistent, students must wear either the complete new uniform or the complete old uniform option listed for that day, without mixing items from the two ranges. Socks and hats are the exception: students may wear any Immanuel socks and any Immanuel wide-brimmed hat.

The new Secondary formal uniform will be introduced in mid-2027.
Families will have until the end of 2028 to transition to the new Immanuel Edit Uniform range.
