Camps are a valuable and important part of the curriculum and are compulsory for all students. Their costs are non-refundable.

Mobile Device Levy
Students are provided with a mobile device/s in nominated year levels. The device is owned at the end of the three-year cycle, subject to full payment of the rental amount and all College fees (including all ancillary charges owed to the College). Students who leave the College before the end of a designated cycle can request to purchase the device, dependent upon the time left on the rental cycle and as per the Mobile Device Rental Agreement.
